## What They're Saying About Our Catering...

### Wow! All I can say is Wow.

Please let me begin by saying THANK YOU. I could not have been more pleased with the service and the food that we received at our graduation party on Saturday. From set up to pick up everything was perfect. The food was great and many complimented on it. The vegetable mix was perfect. Thank you again for the wonderful service and food. We will be sure and recommend your restaurant to all of our family and friends.

~ Susan, Verona, WI

### The food was phenomenal.

Guest commented on how delicious the food was, and they wanted to know who had catered. You will have new costumers! And never having catered an event before, we were a bit nervous about how it would all work out. Your thoughtful guidance and expert advice made the entire process go so smoothly. Thanks.

~ Lori and Kevin, Madison, WI

### Muy Bueno.

This is the best and most authentic Mexican food I have had in Madison. I had a burrito (the "medium" size was huge!), and split a chile relleno with my friend. He had a torta with their el pastor (pork) on it- everything was super good! I have found my place for Mexican food. Muy bueno.

~ Doctress Julia B., Madison, WI
