**CUSTOMER TESTIMONIALS**

“Christy and the rest of the Shigs staff were pleasant to work with for our wedding. The food was delicious and the drinks were refreshing! They were very flexible and were able to work around some timing changes. Everything was great and we would highly recommend them for some quality BBQ!  
 -A.Z. June 20, 2016

“One of my favorite local BBQ ‘joints’, if not my local favorite. One item of which I judge a BBQ joint by is the beef brisket. Having had the privilege of eating beef brisket in Texas, I feel I know what the standard should be, and Shigs hit the mark. Soft and moist beef, with just the right amount of fat to hold in the flavor. The sides, especially the potatoes with cheese, are rock solid as well.”  
 -T.O. March 14, 2017

“I was informed that I needed to have a lunch catered to my office for a customer visit. The bad part is I was notified late the night before I needed the catering. I called Shigs and they were very accommodating! They didn’t even hesitate! Took my order and the food was delivered the next day right on time! They’re an amazing group of people!”
